## **Disclaimer Regarding the 2020-2021 School Year**

The 2020-2021 school year presents unprecedented and unpredictable challenges for the District, all staff, students, and families. It is the goal to continue the benefits, policies, practices, and other items described in this handbook during this time and to avoid permanent modifications in reaction to the challenges presented by and hopefully unique to this school year. However, to meet these challenges, the District will at times need to make changes to staff scheduling, staff break times and break duration, absence procedures, lunch period and recess supervision schedules, and other items that may come up throughout this coming year in order to properly staff the schools for student education while managing the public health recommendations that permit the schools to be open and safe for staff and students. Efforts will be made to minimize changes and to provide advance notice of any changes; however, this disclaimer is intended to put everyone on notice that content of this handbook is informational and actual practices may be varied as needed (See, "Employee Handbook" heading, page 1). Your understanding and cooperation is appreciated. The Board and Administration appreciates all employees who have through hard work and dedication allowed the students an opportunity to return to a closer to normal experience.

The Handbook applies to teachers only. It has been prepared to acquaint employees with the policies, procedures, rules and regulations, and to provide for the orderly and efficient operation of the District. Most employee questions will be answered in this Handbook. However, if there are questions regarding the Handbook, or matters that are not covered, they should be directed to the District Administrator or the employee’s direct supervisor.

This Employee Policy Handbook has been prepared for informational purposes only. The school district of Brillion does not tolerate harassment in any form and will take all necessary and appropriate action to eliminate it, up to and including discipline of the offenders. It is the policy of the district to maintain and insure a learning environment and working conditions free of any form of harassment or intimidation towards and between students or its employees. This policy prohibits such harassment by any employee, student, parent, or other third party against the District's employees. See Board Policy 512. The policy provides more detail regarding this matter and provides employees with the appropriate procedures for raising complaints.

**ARTICLE IV  
DRUG-FREE WORKPLACE**

The Board believes that quality education is not possible in an environment affected by drugs. It will seek, therefore, to establish and maintain an educational setting which is not tainted by the illegal use or evidence of illegal use of any controlled substance. For further information, see Board Policy 522.1.

**ARTICLE V

- B. A teacher returning to the system after an approved leave of absence will be placed at the same level and increment status as the teacher was in prior to the leave of absence.

**School Year Employees Time-Off Guidelines**

It is the intent of the district to allow employees ownership of their time-off and to treat employees as professionals in managing their time-off. Professionalism is to be understood as a mutual effort and brings with it responsibilities for employees. Employees are expected to assume responsibility for the work that needs to be done at the workplace on the days they are contracted for. Time-off requests should be considered with workplace commitments balanced with personal needs. Having a school job on a school calendar brings with it the benefit of having more days off in a calendar year along with some rigidity of when these days off may be taken.

- C. Twelve (12) days of paid time off will be granted annually. The first six (6) may be taken for

personal reasons. Six (6) additional days may be taken and will require a pay dock equivalent to the total cost of a substitute teacher.

Pay docks are not required in the event of medical leave. Medical leave may be taken for immediate family to include only spouses and children under the age of 18. Documentation from a licensed physician is required and must be received within ten (10) business days of the absence. All leave is subject to the limits of the district's Family Medical Leave Act policy. Medical leave may not be taken for medical or dental wellness visits.

Pay docks may be required for a snow day.

One day of paid time off will be granted for funeral leave of the immediate family.

- D. Medical leave is defined as FMLA leave or other medical leave that renders an employee unable to be at work and requires written documentation from a licensed healthcare provider indicating that the employee is unable to be a work.
  
- E. The following guidelines apply to requests for paid time-off.
  - 1. Paid time off is not to be taken during parent-teacher conferences or professional development time, except in the case of emergencies or medical issues.
  - 2. In only limited circumstances may time-off be taken to extend breaks or vacations. These circumstances include emergencies, medical issues and other special circumstances. Limits to being able to take time-off to extend vacations include but is not limited to the following: the number of other employees off, previous time-off requested, frequency of previous absences, and other circumstances that may make employee attendance required.
  - 3. No more than two work days may be taken consecutively without a medical excuse (i.e. Friday and Monday around a weekend are considered consecutive).
  - 4. Any non-medical leave shall require pre-approval. Pre-approval means the absence needs approval and can be denied.
  - 5. Any use of sick days may require a medical excuse.
  - 6. Exceptions to these guidelines (including extending vacation) may be granted with prior administrative approval.
  - 7. Use of time-off for extended (3 or more consecutive days) vacations may be granted in unique circumstances, but will generally not be approved. While it is understood that

unique opportunities may arise, it should be understood that extended time-off will not be granted more than once in a five-year period.

- F. No more than one hundred (100) days of leave may be accrued. If an employee has more than one hundred (100) days of leave at the end of a year, days above one hundred (100) will be paid out at a rate of \$50.00 per day. Unused sick time is forfeited upon termination of employment.
- G. Family Medical Leave. Medical leave is defined as FMLA leave or other medical leave that renders an employee unable to be at work and requires written documentation from a licensed healthcare provider indicating that the employee is unable to be at work. See Board Policies 522 and 532.31 for additional information, including the District's Family Medical Leave Act policy which incorporates the requirements of both State and Federal leave.
- H. Jury Duty
  - 1. Teachers, when called for jury duty, shall notify their immediate supervisor and the District Administrator of such impending duty and actual dates of such required service as soon as possible after they are known by the teacher.
  - 2. A copy of the summons to jury duty and a copy of the actual payment for jury duty shall be provided to the District office for filing with payroll records. On the copy of the payment records, the teacher shall sign an authorization for payroll deduction of the amount received for jury duty (exclusive of travel allowances and reimbursement for expenses). No payroll deduction will be made in an amount in excess of the actual earnings the person would have earned if he/she were on the job.
  - 3. Loss of time for jury duty shall not result in a deduction of sick leave time accumulation.
  - 4. All teachers are expected to return to work as soon as possible after being excused or released from jury duty.

## **ARTICLE XII**

### **CREDIT FOR MILITARY LEAVE**

Any teacher who enters service in any of the armed forces of the United States shall, upon termination of such service by honorable discharge or other evidence of good standing, be entitled to reemployment in accordance with provisions of the Uniformed Services Employment and Reemployment Rights Act (USERRA) of 1994 and other applicable federal and state laws.

## **ARTICLE XIII**

### **WORKING CONDITIONS**

- A. Lunch Duty. Teachers will be provided a duty-free lunch period of not less than thirty (30) minutes at or near the time of the regular school lunch period.

- B. Class Size. The Board shall make every reasonable effort to maintain an optimum class size in all subjects considering the limitations of physical facilities and staff. Changes in class size and teaching load may result from changes in teaching complement and student load. The Board's functions in these areas may be influenced by changes in teaching techniques and means and methods of instruction. This article shall not be construed to impose any obligation on the administration to hire or reassign teachers.
- C. Normal School Day. The normal school day shall be from 7:30-3:30 PM. It is understood that these times may be modified or extended by administration as needed.
- D. Parent Conferences. Two parent conference days per year will be scheduled in the school calendar.
- E. Snow Days
1. In the event that school is cancelled because of inclement weather the following will apply:
    - a. The first inclement weather day, it is not necessary for staff to report.
    - b. The next two inclement weather days will not be made up by the students. However, the teachers must report by 10:00 a.m. and work the balance of the day or lose a time-off day. To avoid using a time-off day, the day may be made up at the time arranged with the building principal.
  2. Snow days beyond three (3) will be made up.
- F. Extracurricular Activities. The Board recognizes that it is advantageous to have athletic and extracurricular activities directed by individuals who are desirous of performing such duties. The Board will attempt to find a qualified replacement, as of the start of the subsequent school year, for any teacher who notifies the Board that he/she is no longer desirous of continuing to direct such activity. However, such activities must be continued, must be directed by qualified individuals, and that in some instances there is a relationship between course material and activities so as to require that certain activities be directed by individuals teaching certain related courses. See also Board Policy 535.2.
- G. Personalized PD Day All teachers shall engage in independent and active efforts to maintain high standards of individual excellence. Such efforts shall include keeping current in each specific and applicable area of instruction, Board established curriculum, as well as continuing study of the art of pedagogy.

Each teacher must commit to one day (8 hours or equivalent) of personalized Staff Development, counted as one of the 190 Contracted Teacher Days. Attendance may not be during a scheduled contact day nor may the individual be paid the workshop stipend for the day.

Completion of this obligation shall be done through one of the following:

Group Book Study

With a group, receive pre-approval and schedule 8 hours of discussion around a book and complete an action plan for classroom implementation. Evidence of completion is a schedule of dates and times met and a copy of the classroom implementation plan.

Credited Class

A pre-approved, credited class shall be eligible to meet this requirement. Evidence of completion is an official transcript of the class completed.

One-Day Workshop Attendance

Attendance at a full day (8 hour) pre-approved workshop is acceptable. The district will not pay the workshop stipend for days counted toward this obligation but may or may not pay for workshop expenses. Evidence of completion is verification of attendance and an action plan for how workshop attendance will change teaching practice.

New Teacher Workshop

For new staff, a series of new teacher workshops will be held throughout the year outside of the school day. New staff participation will meet the requirements of this obligation.

Action Research

An action research plan may be conducted and implemented to fulfill this obligation. Plans must be pre-approved and include background reading, measurable learning to be monitored, specific action taken to impact learning, and ways to measure learning before and after the implementation plan.

Each teacher shall submit to their administrator their plan for the subsequent school year by May 15th of the preceding year.

All obligations for completion of this requirement shall be done by June 1st of the school year. If any part of the obligations is not completed by June 1st, the teacher shall not be paid for the day. Partial obligation completion for a partial day credit is not allowed. In addition, staff not fully completing this obligation shall be subject to appropriate disciplinary action.

Revisions to established plans will be considered as needed. Administrative approval is required for any plan revision.

**ARTICLE XIV**  
**PHYSICAL EXAMINATION**

- A. Upon initial employment a teacher must have a physical examination including a tuberculin skin test and present a written statement on a district approved form indicating freedom from contagious illness. The district will pay the full cost of the examination and skin test at a local clinic. If an x-ray is required as a result of a positive skin test, the district will pay the actual cost of the initial x-ray at a local clinic. If the teacher utilizes another physician, the district will pay an amount not to exceed the amount charged for such services at a local clinic.
- B. Should a teacher's health be such that absence becomes excessive or the District Administrator reasonably believes that the teacher's health is adversely affecting his or her performance as a teacher or the welfare of the students, the District Administrator may require a physical examination.

**ARTICLE XV**  
**TEACHER EVALUATION**

- A. All teachers new to the Brillion System and all other teachers with less than three (3) years service in the system shall be considered probationary teachers until they have accumulated three (3) years of continuous service in the Brillion System. Probationary status relates solely to the frequency and purpose of teacher evaluations. Completion of probation does not create any rights to continued employment beyond those applicable to probationary teachers. Any teacher may be disciplined, terminated, non-renewed for any reason that is not arbitrary, capricious, discriminatory or otherwise in violation of law or contract. See also Board Policy 538.
- B. During the probationary period, administration personnel will visit classes taught by probationary teachers for at least two (2) class periods per year or the equivalent thereof. The purpose for such visitation is not only to observe the new teacher in the classroom situation but to evaluate and guide such teachers in a positive and helpful way. A written report will be given to the teacher within five (5) full school days after the visitations. This report will then be placed in the teacher's personnel file.

The teacher shall sign the evaluator's copy acknowledging receipt of the teacher's copy.

- C. Regular teachers shall be evaluated at least once every three (3) years and will be given a copy of any evaluation reports prepared by their superiors and shall have the right to discuss such a report with their superiors before it is submitted to central administration or put into their personnel files. The teacher shall sign the evaluator's copy acknowledging receipt of the teacher's copy.
- D. A single personnel file for each teacher shall be kept in the District Administrator's office. No performance evaluation, letter of complaint or disciplinary notice shall be placed in the teacher's personnel file unless the teacher shall have had the opportunity to read the material.

The teacher shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed with the understanding that such signature merely signifies that he/she has read the material to be filed and does not necessarily indicate agreement with the content. The teacher shall have the right to answer any such evaluation, letter of complaint or notice and his/her answer shall be attached to the document. Upon request, a teacher shall have access to his/her complete and current personnel file with the exception of confidential credentials.

Letters of complaint from individuals who are not employed by the District shall be included in the teacher's file if the District Administrator believes that there is substance to the complaint. Upon request of the teacher, such letters may be removed from the file after two years unless there has been a subsequent written complaint of the same nature which the District Administrator also has concluded to be of substance.

## **ARTICLE XVI**

### **GRIEVANCE PROCEDURE**

The grievance procedure will apply and be implemented as spelled out in Board Policy 527. Employees may from time to time have concerns or a disagreement regarding policies or practices of the District that are not subject to the grievance procedure. In those cases, employees are encouraged to discuss their issues with their immediate supervisor.

## **ARTICLE XVII**

### **NON-RENEWAL OF CONTRACT**

A teacher whose contract is not to be renewed shall be notified by May 15th.

**ARTICLE XVIII**  
**TERMINATION OF CONTRACT BY TEACHER**

- A. Any teacher asking to break his/her contract on or after July 1 shall pay \$800, on or after August 1 shall pay \$1,500, and on or after September 1 shall pay \$3000 in liquidated damages. This provision shall be waived in the event of termination for reasons of serious illness, accidental injury or induction into military service. It will also be waived in the event of termination because of pregnancy if at least sixty (60) days' notice is given of intent to resign or in the event the teacher's contract has been reduced for the ensuing year below the level of the prior year. This clause will not apply in the event a resignation is submitted prior to July 1 and the teacher completes the school year.
- B. Payment of the above money shall be by personal check, money order or by a signed payroll deduction authorization. The teacher's last paycheck may be withheld until such payment is made.
- C. All insurance benefits for any teacher shall be paid and continue through the period covered by his/her final paycheck. If the teacher completes the school year, his/her insurance coverage will be paid through August 31.

**ARTICLE XIX**  
**REDUCTION OF STAFF**

If the Board decides to reduce its staff or otherwise lay off personnel covered by this Handbook, it will do so with the primary consideration being that the remaining personnel are capable, qualified and numerically adequate to meet the staffing needs of the educational curriculum in the school. Every effort will be made to keep staff fully assigned provided scheduling and certification permit. The Board may issue a lay-off notice up until the first (1<sup>st</sup>) day of July.

**ARTICLE XX**  
**MISCELLANEOUS**

Use of Technology by Employees. See Board Policy 522.7.

**ARTICLE XXI**
