

What is PTO?

Brillion Elementary/Middle PTO is a Parent-Teacher Organization that supports the students and teachers in the Brillion Elementary & Middle Schools. Our goals are to encourage interaction between family and school, serve as a source of support, and work with teachers, staff and the community at large to improve our children's educational experience. The PTO works closely with the school administration to meet this goal.

What does PTO do?

PTO raises money for the school through events (like the Halloween Dance, the Gambler hockey game, Lion Clothing Sale, Basket Raffle) and by helping administer the Scrip program. We work with school staff to determine the best use of the funds. In the past we have used funds raised to give back to things like the Elementary Bookroom and the Field Day held at the end of the year. We also sponsor social events like Family Game Nights, Open Swim, Teacher Appreciation Week and Family Movie Nights. Additionally, we support the school staff by providing a meal they can grab and eat quickly whenever they have free time during the conferences and organizing the classroom Christmas gifts.

What is Scrip?

SCRIP (School Cash Rebate Incentive Program) is "substitute money." When you purchase SCRIP, you are purchasing gift cards or certificates that are used just like cash at local and national vendors to pay for everyday items like food, gas, clothing, restaurants, home improvements, entertainment, and *MUCH* more! With every purchase you make using SCRIP, you generate revenue for our School.

How can I get involved?

There are many ways to be involved in the PTO, but your involvement is completely voluntary and based on your own schedule and availability. We will never ask or assume that you will do something if you don't offer or sign up for it. On the other hand, if your help is not needed for one event, please don't be discouraged, there may be need at the next event. Coming to meetings and staying informed by getting on the email list or joining the Brillion Elementary PTO Facebook group are two super easy ways to get involved! We also will have various events throughout the year that may need your donation of time or maybe a food item to make the event a success! These are organized through a Sign-Up genius. Even just showing up or participating in an event such as the Halloween Dance or the Gambler Game is a great way to show your support for Brillion Elementary and Middle Schools!
